This memo is written to update the Select Board requesting a 30 day extension to file the Grand List for 2018. It is fairly typical in a reappraisal year that towns need more time to complete all of the work on double checking the changes in assessment, correcting current use and other special exemptions given the changes in values, and preparing the booklets and other documents of the reappraisal project.

We would anticipate the following timeline given this extension to the June 4th deadline, which is the deadline for filing the preliminary (abstract) of the Grand List and sending out change of assessment notices.

Informal Value Notices Sent by Vision	May 17, 2019
Informal Hearings to be Held By Vision	June 3 – 7, 2019
Second Notice from Vision Sent (Results of Informal)	June 14, 2017
Preliminary GL and Change of Assessments Sent/Filed	June 17, 2019
Start of Listers Grievances (min. of 14 days later)	July 9, 2019
Result of Listers Grievances and Final Grand List	July 23, 2019
Tax Bills Sent Out	July 25, 2019
Tax Bills August payment due	August 30, 2019
BCA Hearings	August 20, 2019

Respectfully submitted,

Lisa Wright, Chair, WR Board of Listers
